# INTRO

## KIC vision

As the pioneer of printing and advertising services for more than 25 years, our priority is to provide high quality services to all our clients. It is a guarantee that sums up KIC's philosophy: When Quality Matters.

## KIC History

Since the establishment of KIC in 1993 by the founder Atef Jebreal, the firm has been developed to include all design services under its umbrella. We have built our reputation based on trust and quality with our clients.

## KIC Philosophy

While quality and precision are fundamental components of our work, the relationship with our clients has undoubtedly remained the core element of success that has always been a companion of the KIC journey.

## رؤية KIC

بصفتنا رواد خدمات الطباعة والإعلان لأكثر من ٢٥ عامًا ، فإن أولويتنا هي تقديم خدمات عالية الجودة لجميع عملائنا. ضمان يلخص فلسفة KIC: عندما يتعلق الأمر بالجودة.

## تاريخنا

منذ تأسيس KIC في عام ١٩٩٣ من قبل المؤسس عاطف جبريل، تم تطوير المؤسسة لتشمل جميع خدمات التصميم تحت مظلتها. لقد بنينا سمعتنا على أساس الثقة والجودة مع عملائنا.

## فلسفتنا

في حين أن الجودة والدقة عنصران أساسيان في عملنا ، ظلت العلاقة مع عملائنا بلا شك العنصر الأساسي للنجاح الذي كان دائمًا رفيقًا لرحلة KIC.
